Invention Judging Rubric

	Developing (1 pt)	Somewhat (3 pts)	Definitely (5 pts)	Score
Overall Impression				
Originality- provides a novel solution				
Complexity- significant depth and attention to detail				
Innovation- pioneering invention or significant improvement				
Presentation				
Statement of Problem				
Statement of Solution- solution addresses problem stated				
Prototype- effectiveness of illustrating the problem				
Invention Relevance				
Impact- significance of the problem				
Practicality- able to be a workable device				
Contribution- importance to others				
Total Scores				**Overall score**
